WELCOME

now part of JONATHAN'S FIREWORKS

HELLO AND WELCOME - IMPORTANT AND EXCITING NEWS!

2025 is a very exciting year for us as we announce our merger with Jonathan's Fireworks, who has been a friend and supplier of Crackerjack Fireworks for many years. As most of you will know, Jonathan's Fireworks is our major supplier, and you have all enjoyed using their spectacular fireworks over the years. That's why we are extremely excited to announce that Jonathan's Fireworks has taken over our DIY Kits mail order business and our professional displays business. This means you will still benefit from our excellent display packs, and they will be delivered direct to your door, free of charge by the Jonathan's Fireworks team!

Simply browse our excellent brochure as normal and to place your order you can either contact myself like you normally do, or you can contact Jonathan's Fireworks directly by calling 024 7635 3111.

Or visit our brand new website where you can view our full range, watch product videos online and place your orders!

FANTASTIC NEW PRODUCTS FOR 2025

The DIY Self-Fire Packs contain some of our finest fireworks and in keeping with our commitment to continually review and improve the range I am delighted to say that we will be introducing a number of new products that are certain to be an asset to any display, whether large or small. There are four new Multi-Shot Cakes; CRACKLING STORM, a 19 Shot Cake with an exciting finale; AFTERSHOCK, featuring a number of excellent effects including multicoloured peonies and dragon eggs; WHIPLASH, a smaller sized fan-cake and DARTING DEMONS, a 73 Shot Single Ignition Barrage featuring a wonderful new "ghostly" effect. There is also a superb new Fan-Firing Compound Cake, ENIGMA, which has a multitude of different effects and is ideal as part of your display or as a spectacular finale. Don't forget if your display needs to be LOW NOISE, we have a large range of products that will give you a beautiful display with the noise limited to only crackles and pops.

DELIVERY

We will deliver your orders free of charge to your choice of delivery address. This service is available throughout Wales and the rest of the UK.

Once you place your order, we will be in touch to arrange delivery. We will give you a date of delivery and all we ask is that you are as flexible as possible so we can find a suitable date.

SUGGESTED FIRING ORDER

A suggested firing order is available for all DIY Display Packs on our website or alternatively you can request a copy if you are placing your order by phone. Just let us know.

POSSIBLE SUBSTITUTIONS

Whilst we do not envisage any delivery problems this year, we reserve the right to substitute any unavailable products with similar products of equal or higher value and performance.

HERE TO HELP

If you need any help with your order, please do not hesitate to contact myself or indeed Jonathan's Fireworks directly and we will be very happy to help and take your order.

Can I take this opportunity to thank you for your continued support and wish you a very safe and successful firework event.
